Turtle Mountain Bible Camp  
Guest Groups 2026

**Welcome to our Guest Group Application.** At Turtle Mountain Bible Camp (TMBC) we seek to provide a space that allows campers, guests, and volunteers to encounter community and grow in relationship with Jesus. TMBC is a ministry of One Hope Ministries of Canada, an interdenominational mission organization. A local board of directors and staff vitally concerned about the camp and its work operates the camp on a non-profit basis. The facilities of the camp have been developed by the voluntary gifts and labors of many people interested in TMBC continuing its ability to share the Gospel and disciple believers.

Leaders of guest groups who wish to book a stay at TMBC must acquaint themselves with our Guest Group Package. It is our expectation that groups who use our camp will not promote any ideology or lifestyle that is contrary to the principles and the purpose for which our camp exists.

**Camp Availability & Booking:**

Our primary ministry is to Children and Youth and is therefore not available during our summer ministry season. TMBC is available for guest group bookings between September and June and we love hosting groups during weekdays as well as weekends. Due to the nature of our ministry and scheduling opportunities, we only accept bookings within 18 months of requested dates.

**To book the facility** you must be willing to sign our Guest Group Agreement in recognition that you can agree to use the camp within the parameters of the stated policies. Please read the following information carefully so that you will be aware of our expectations. If after reading this information you still have questions, please contact us for further information.

**Purpose of One Hope Canada**

We present the Gospel, particularly to those having the least opportunity to hear of Christ and especially to children and youth, and we disciple believers for living and serving through His Church.

**Purpose of Turtle Mountain Bible Camp**

TMBC exists to bring glory to God by providing a safe recreational setting that is both relevant and relational for the primary purpose of helping campers and volunteers reach their potential in Jesus Christ.

**Location**

Physical Address: NW 10-1-22W, Deloraine-Winchester, MB

TMBC is located on 90 acres of land just 2 miles north of the US border and Lake Metigoshe. The camp has direct lake access to Partridge Lake, which provides opportunities for swimming, kayaking, canoeing, and extreme water sports (tubing, wakeboarding, etc.). Lake Metigoshe also provides additional swimming, fishing, and hiking options for groups to check out.

In the winter groups can enjoy snow activities such as our toboggan hill (weather permitting). Guests are welcome to bring their own snowshoes or cross country skis and explore camp property or venture to the groomed trails around Lake Metigoshe.

TURTLE MOUNTAIN BIBLE CAMP is a ministry of One Hope Canada, which is a distinctively Christian organization whose policies are built on principles taken from the Bible. The Scriptures are the final authority guiding our faith and actions, and our understanding and interpretation of those Scriptures is consistent with the evangelical Christian tradition. In booking out our facilities, we welcome people and organizations from a variety of backgrounds. It is our policy to treat every visitor equally, serve every guest joyfully, and show every group respect. In turn, we ask those who come to our camp to be respectful of our beliefs and, while on site, to refrain from corporately or publicly practicing or promoting beliefs that differ from our principles and mission which includes our purpose, statement of faith, and code of Christian conduct. If any question exists about whether or not aspects of your program are in conflict with these standards, please bring them up ahead of time with your camp contact.

Guest groups at TURTLE MOUNTAIN BIBLE CAMP must agree to observe the following:

1. Observe all posted and otherwise communicated regulations and risk management measures, such as fire prevention, safety precautions, etc. Fires may be built only in designated areas and fire safety is to be exercised at all times.
2. Keep away from areas and buildings on the property that are out of bounds to guest groups.
3. No defacing of property, such as writing on walls and bunks, cutting of trees, etc.
4. The camp's costume closet will not be used by our guest group.
5. Report promptly any damages to or loss of camp property for which your group is responsible. Your group will be required to cover the cost of repair or replacement.
6. In case of "overnight" events, each cabin group which includes campers under 18 years of age must include a responsible adult leader who has been screened and trained from a "child protection" perspective.
7. Guest groups will not engage in any extreme or controversial activities on site, will not disrespect any individual or engage in any activity that will place someone at risk.
8. No alcohol, smoking or non-prescription drugs on site.
9. Guest groups will avoid profane, lewd, or vulgar language and violent or otherwise extreme behaviour while on site.
10. Outdoor shoes are not to be worn in any of our buildings. We suggest you bring slippers or other shoes to wear inside.
11. At the end of the guest group's stay, the group should leave the space as clean and tidy as it was when they arrived and camp equipment returned to its original place before the group leaves.
12. The camp personnel in charge during the guest group's stay will ensure and confirm compliance and has authority to stop any offending activity, to require that an individual persistently violating a rule leaves the property, and to terminate the booking altogether in case of consistent non-compliance.
